
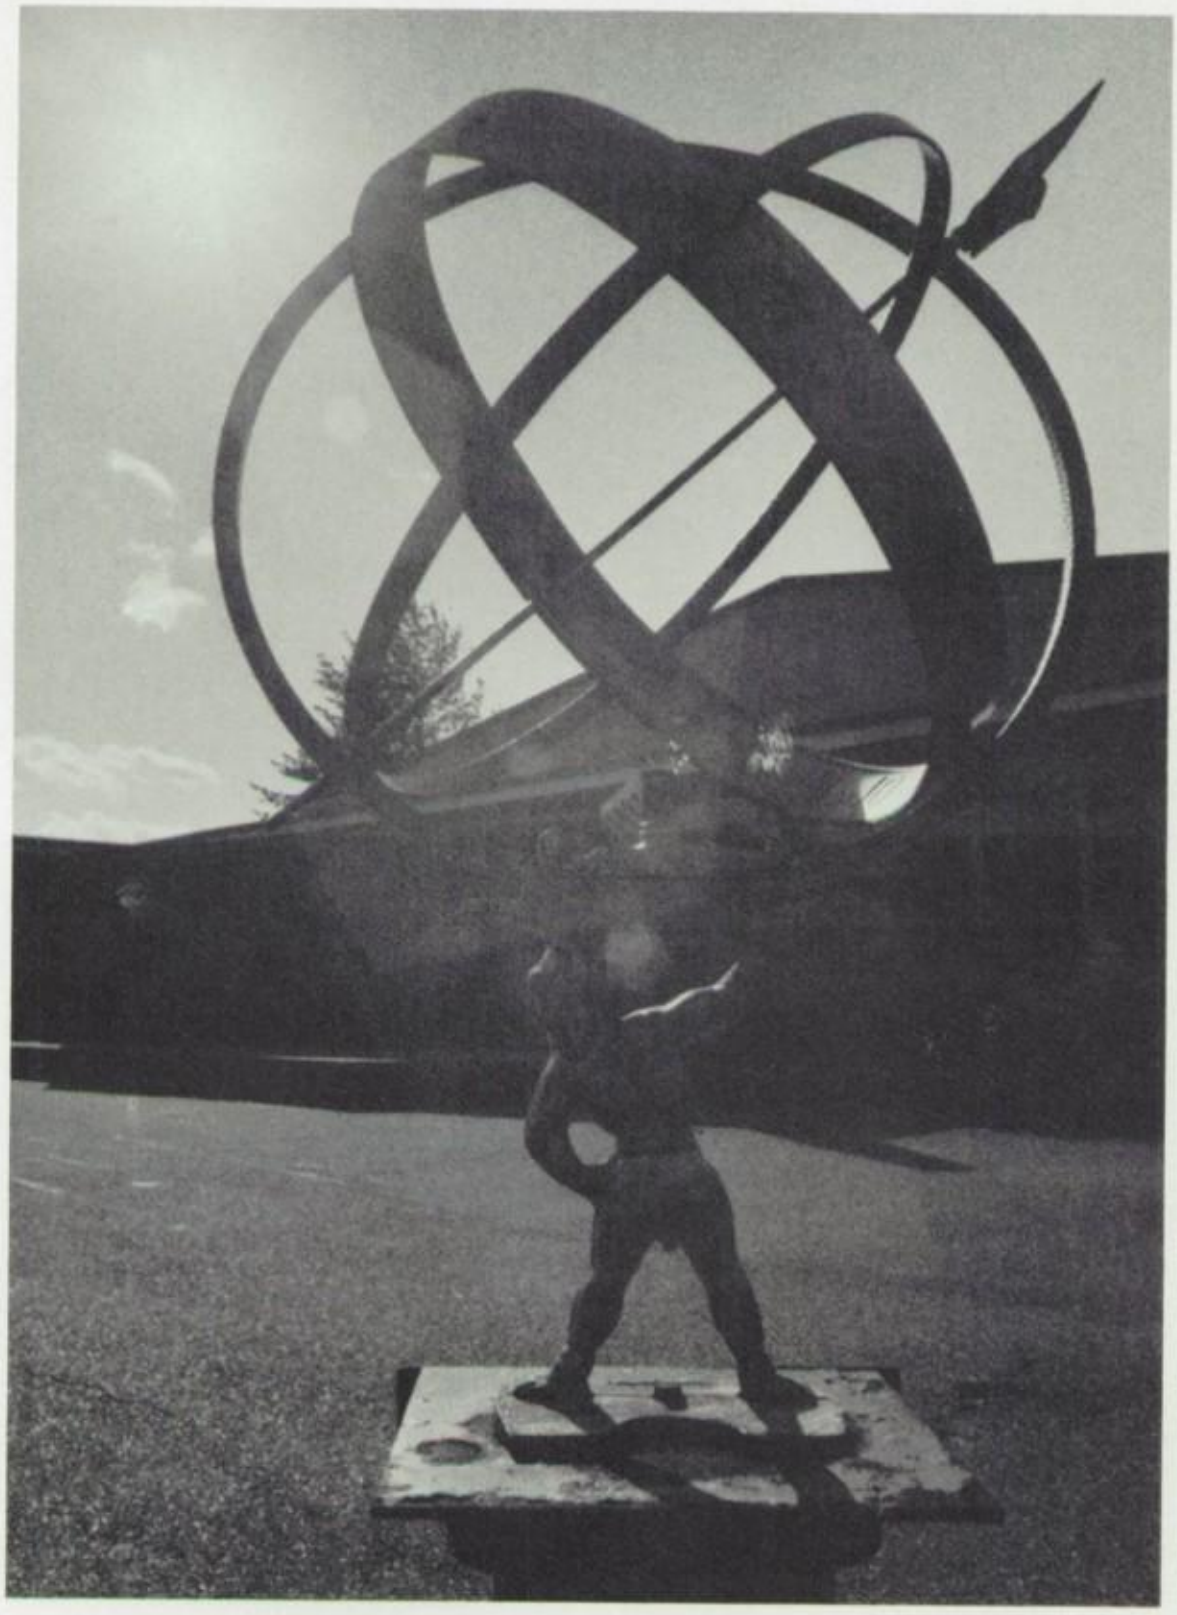
"Those were the days...."

Miss Florence Barr



GLEA 1974

Glenwood High School, Canton, Ohio
Doesn't Glea sound like a happy word? Not only is it a happy sounding word but it sums up all the good memories and feelings we have about GLenwood and the EAgles.

Dedication

To Mr. and Mrs. Vernon Leuck

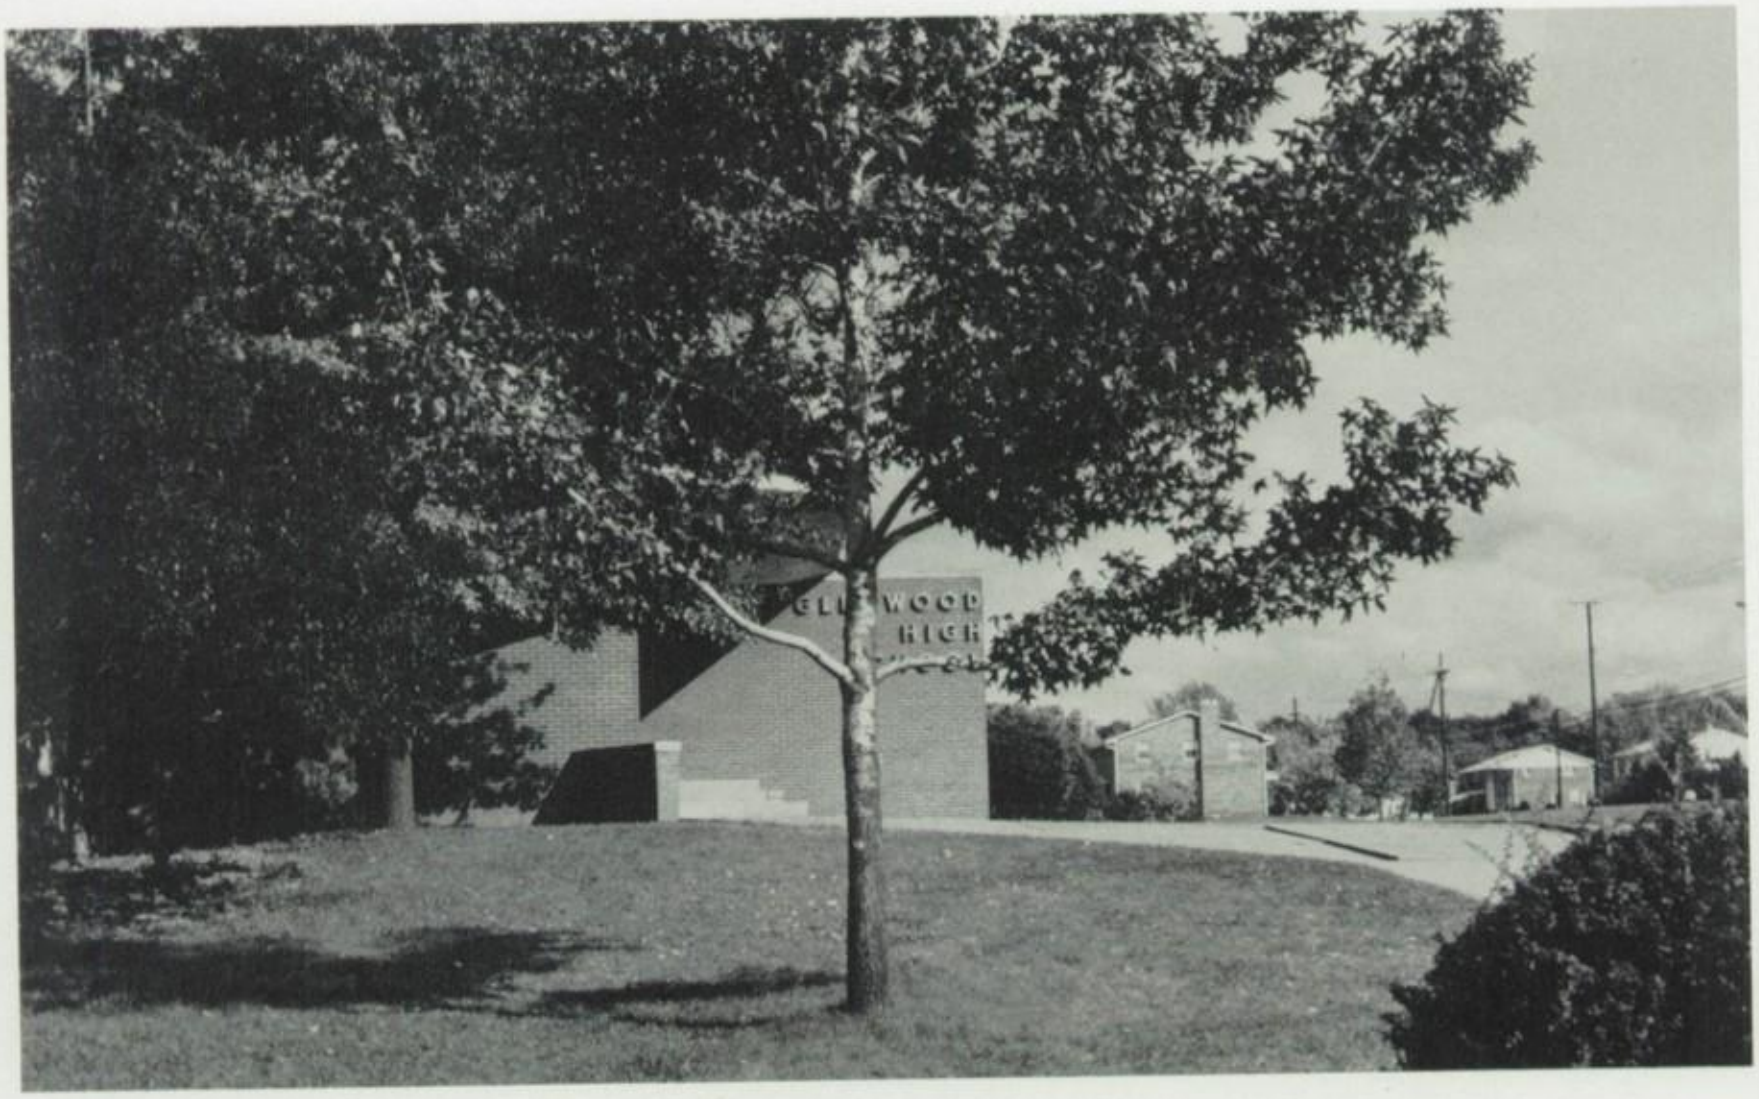
The 1974 *Glea* staff, along with the student body, wishes to dedicate the *"Glea '74"* to two special people, Mr. and Mrs. Vernon Leuck.

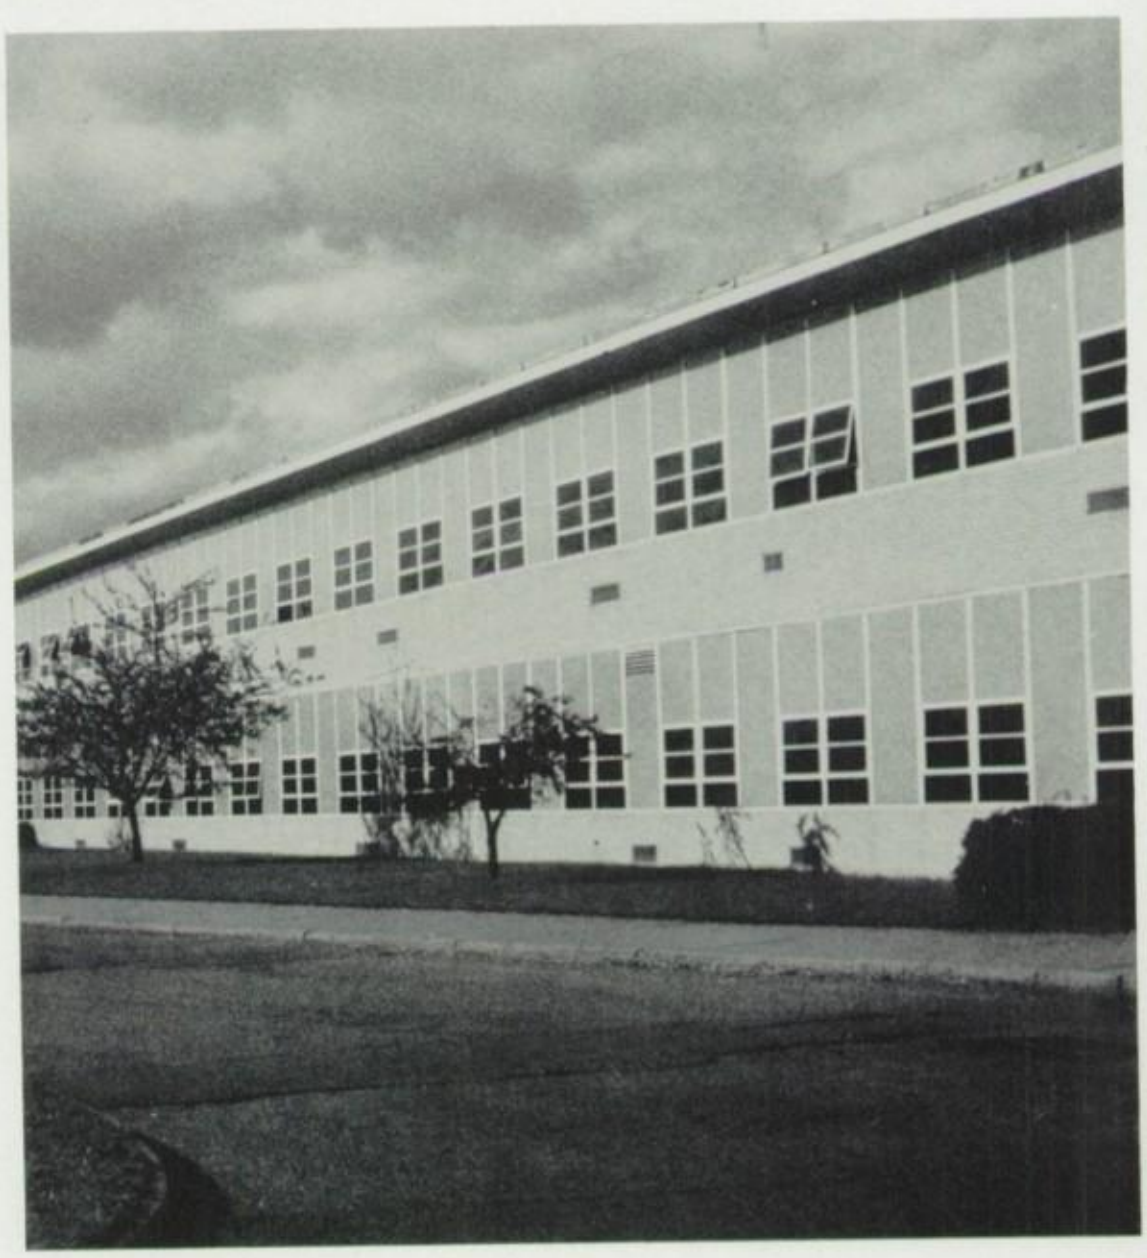
Mrs. Leuck is a librarian at Middlebranch Junior High School. She had many of the Seniors that are graduating this year in her fifth grade class. Many other students have had her as a teacher later on in their educational experience.

Mr. Leuck has been the Principal at Glenwood for the past two years. He has spent his life enriching the lives of young people and he still continues here to give us encouragement, direction and a friendly smile.

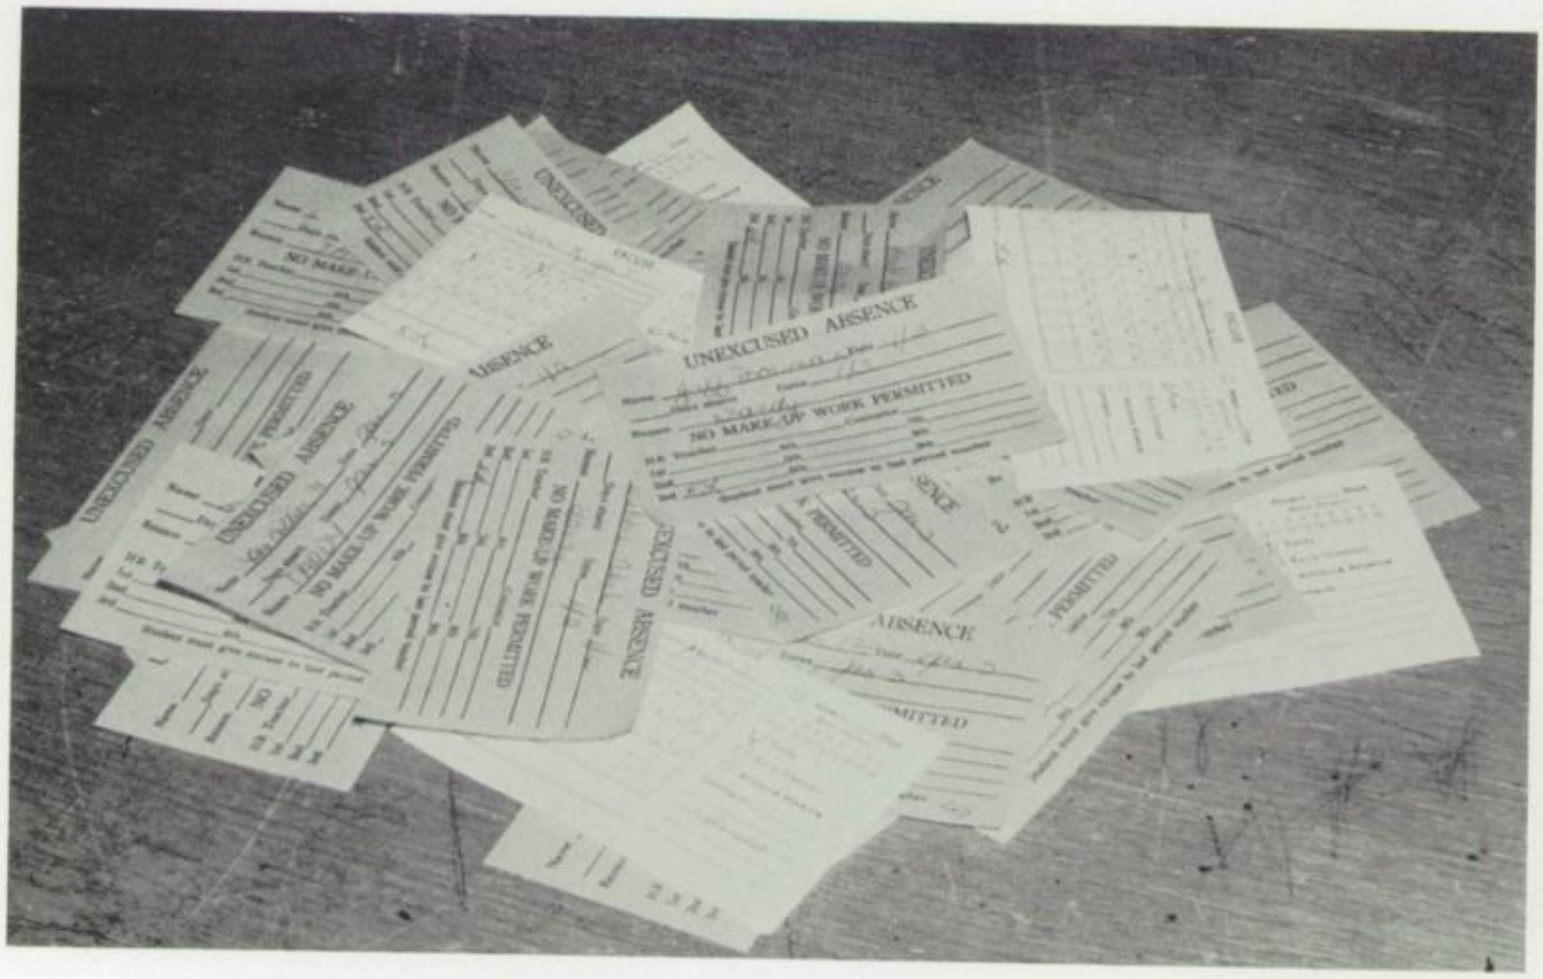
To these two people who have played such an important part in our lives, we proudly dedicate this book.

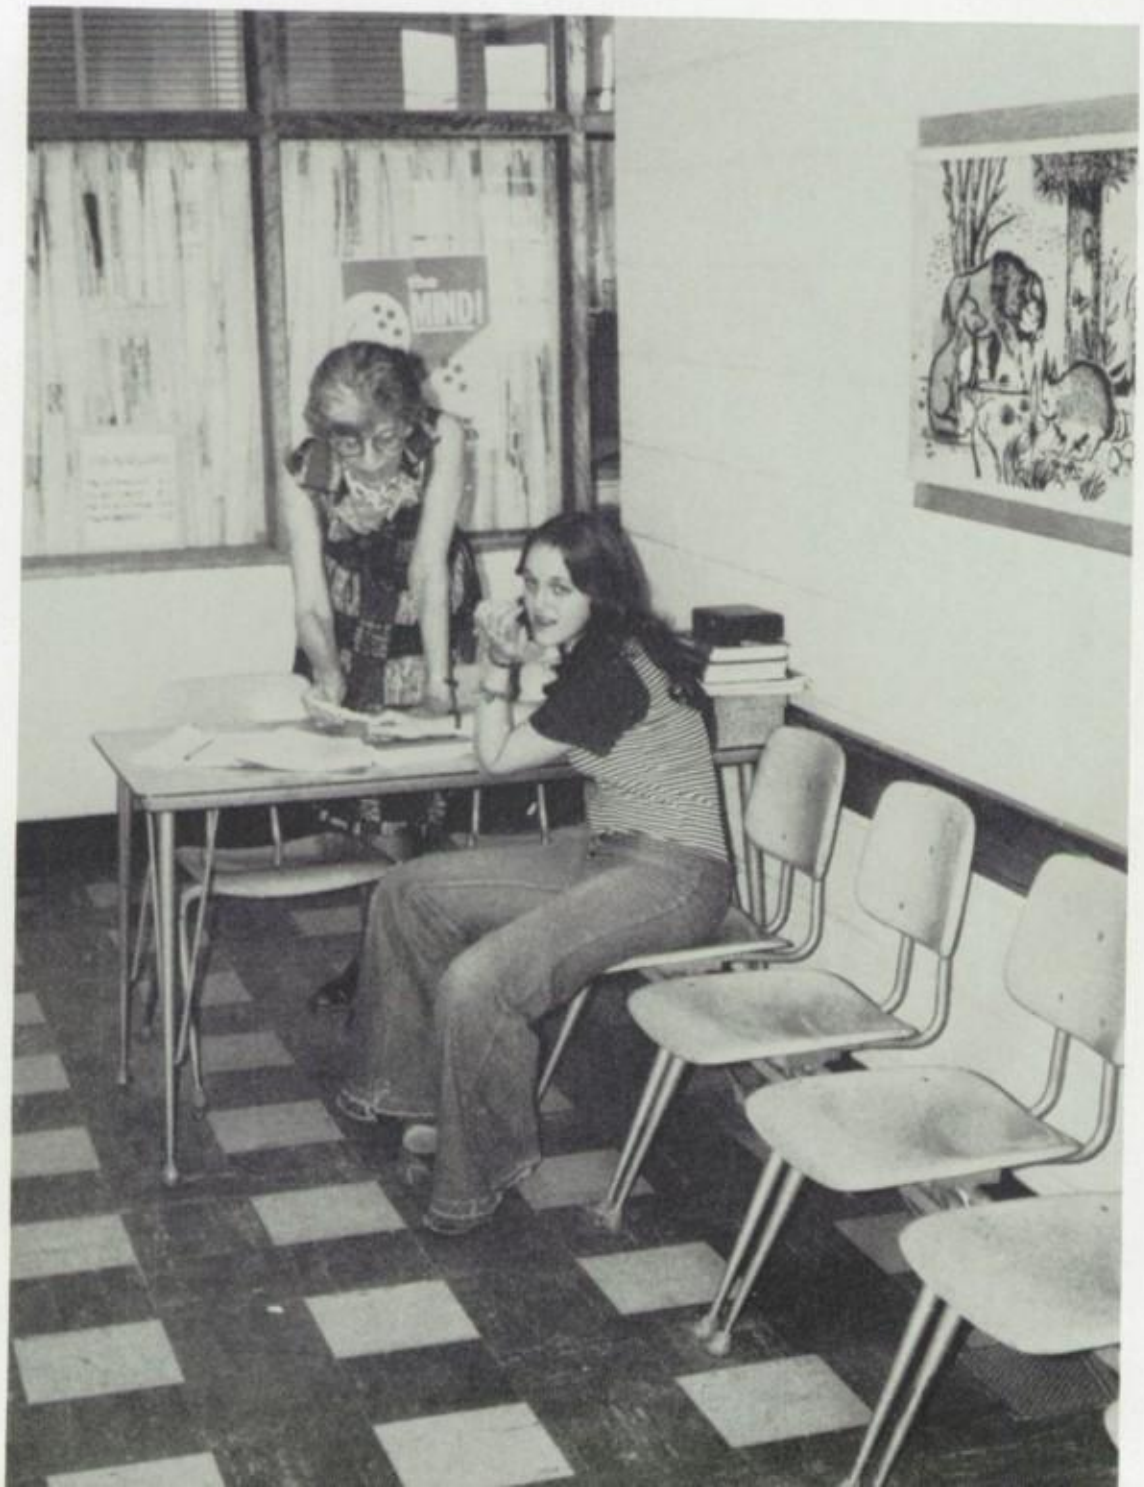
Once upon a time there was a high school . . .





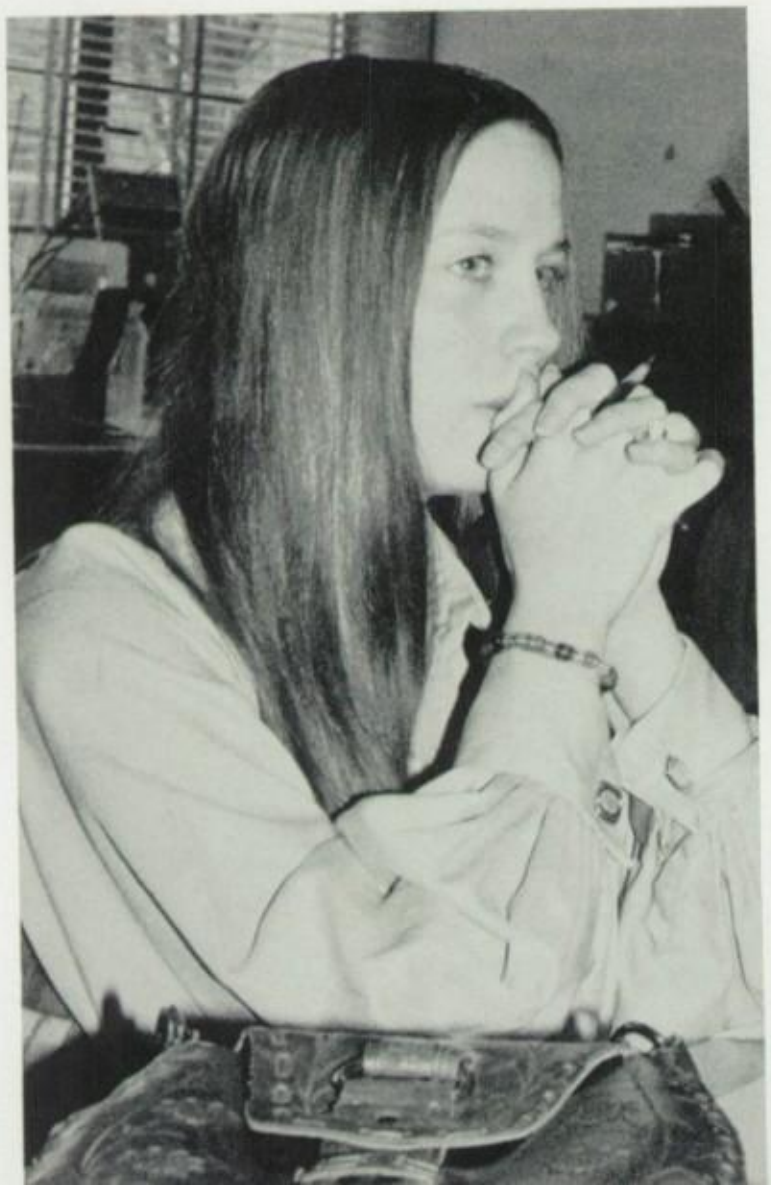
Where we used to cut a class or two . . .

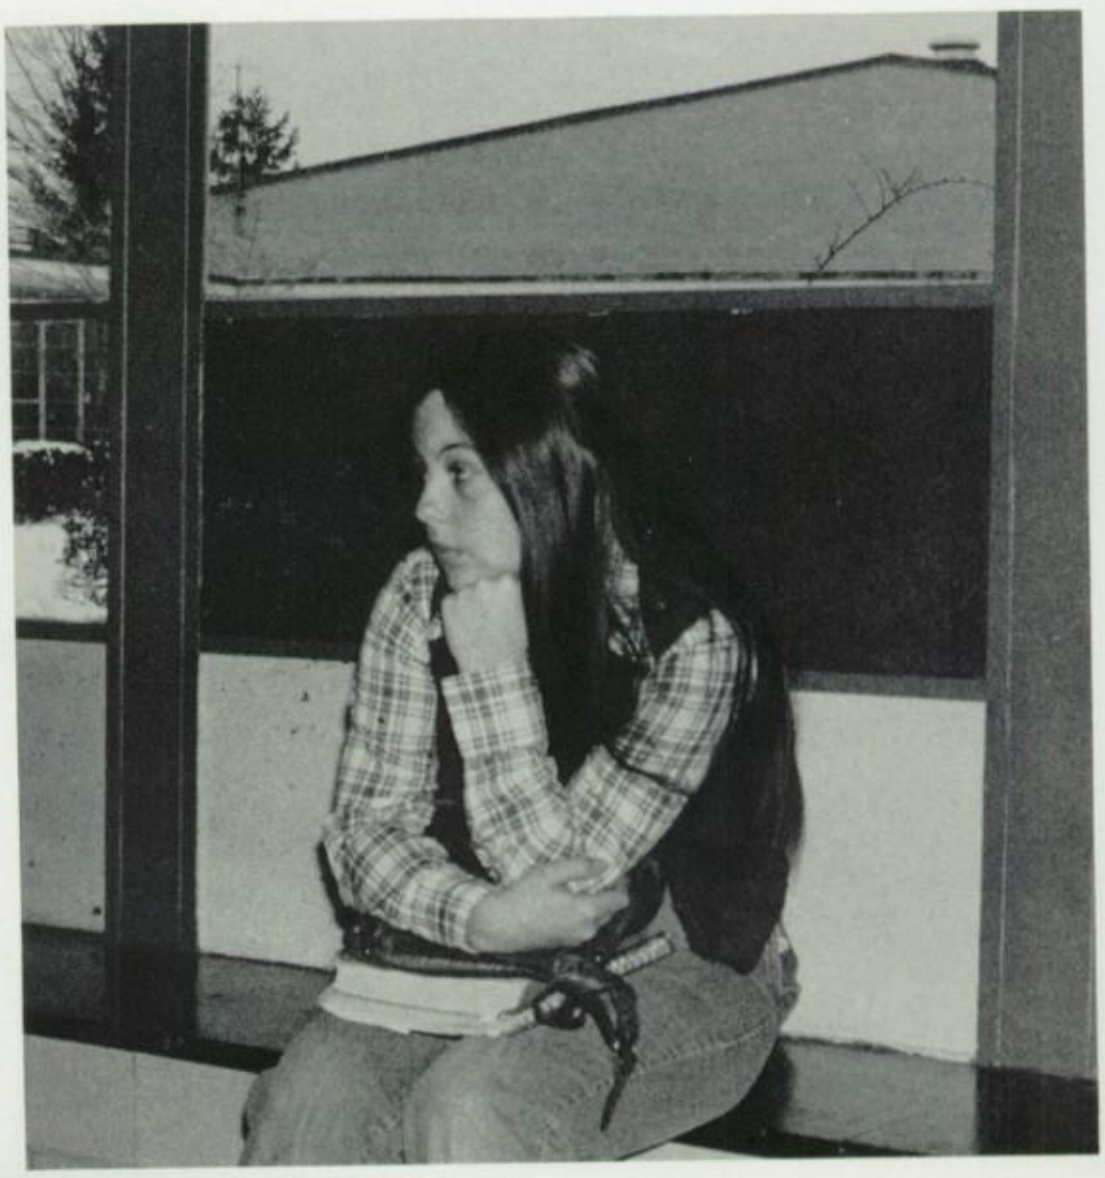




Remember how we laughed away the hours . . .

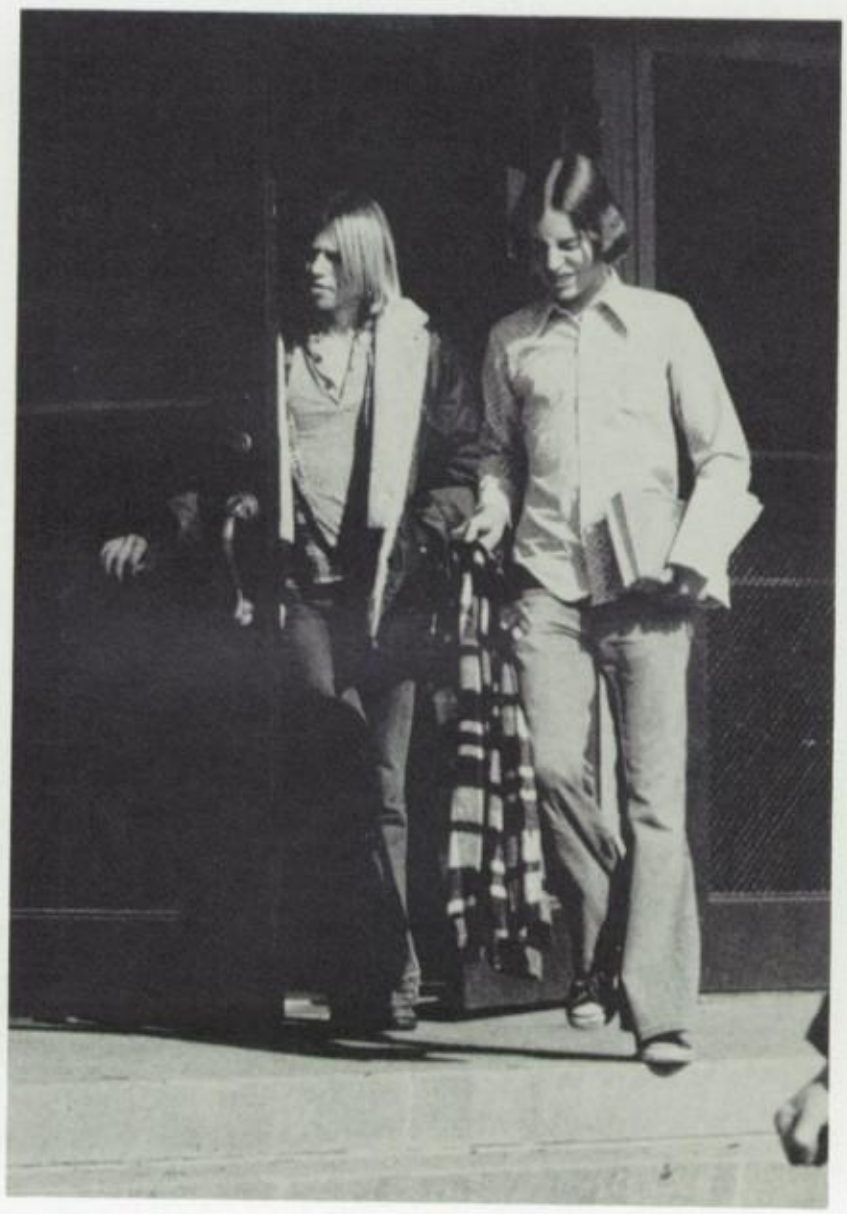
And dreamed of all the great things we would do? . . .





Those were the days my friend . . .

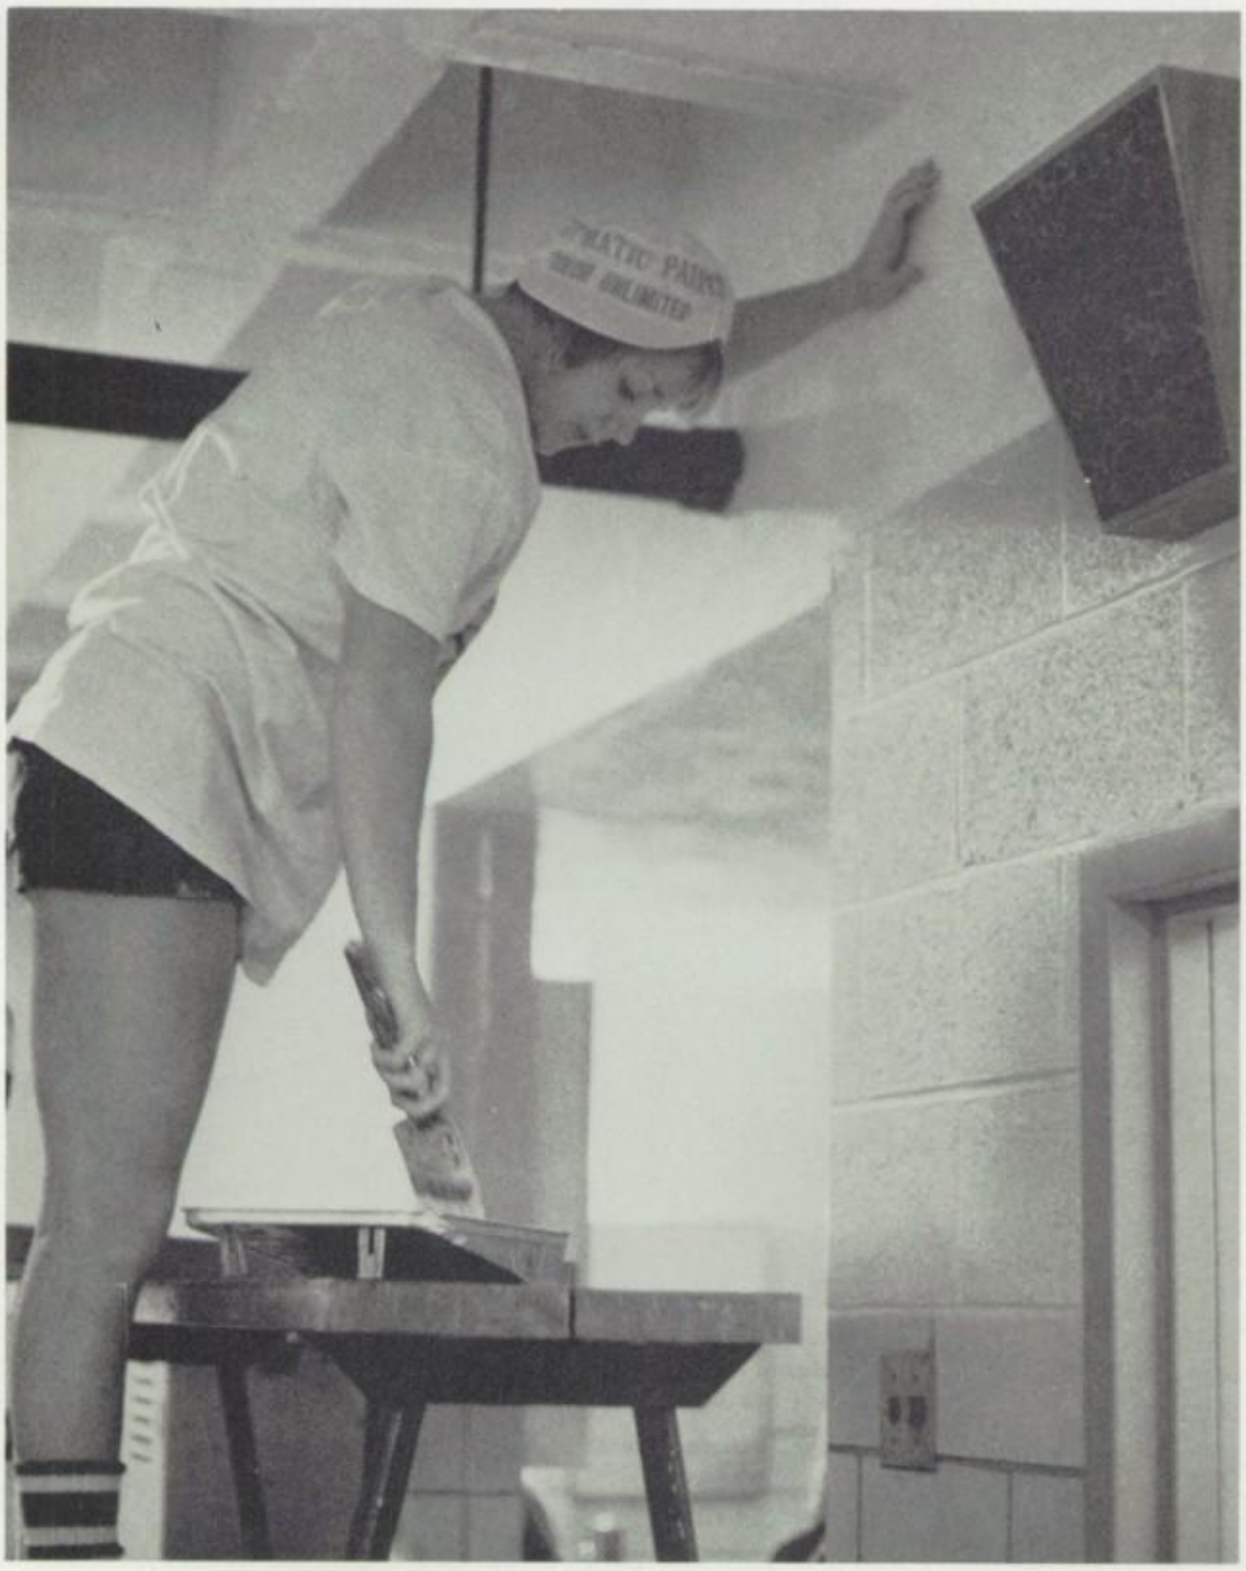
We thought they would never end . . .



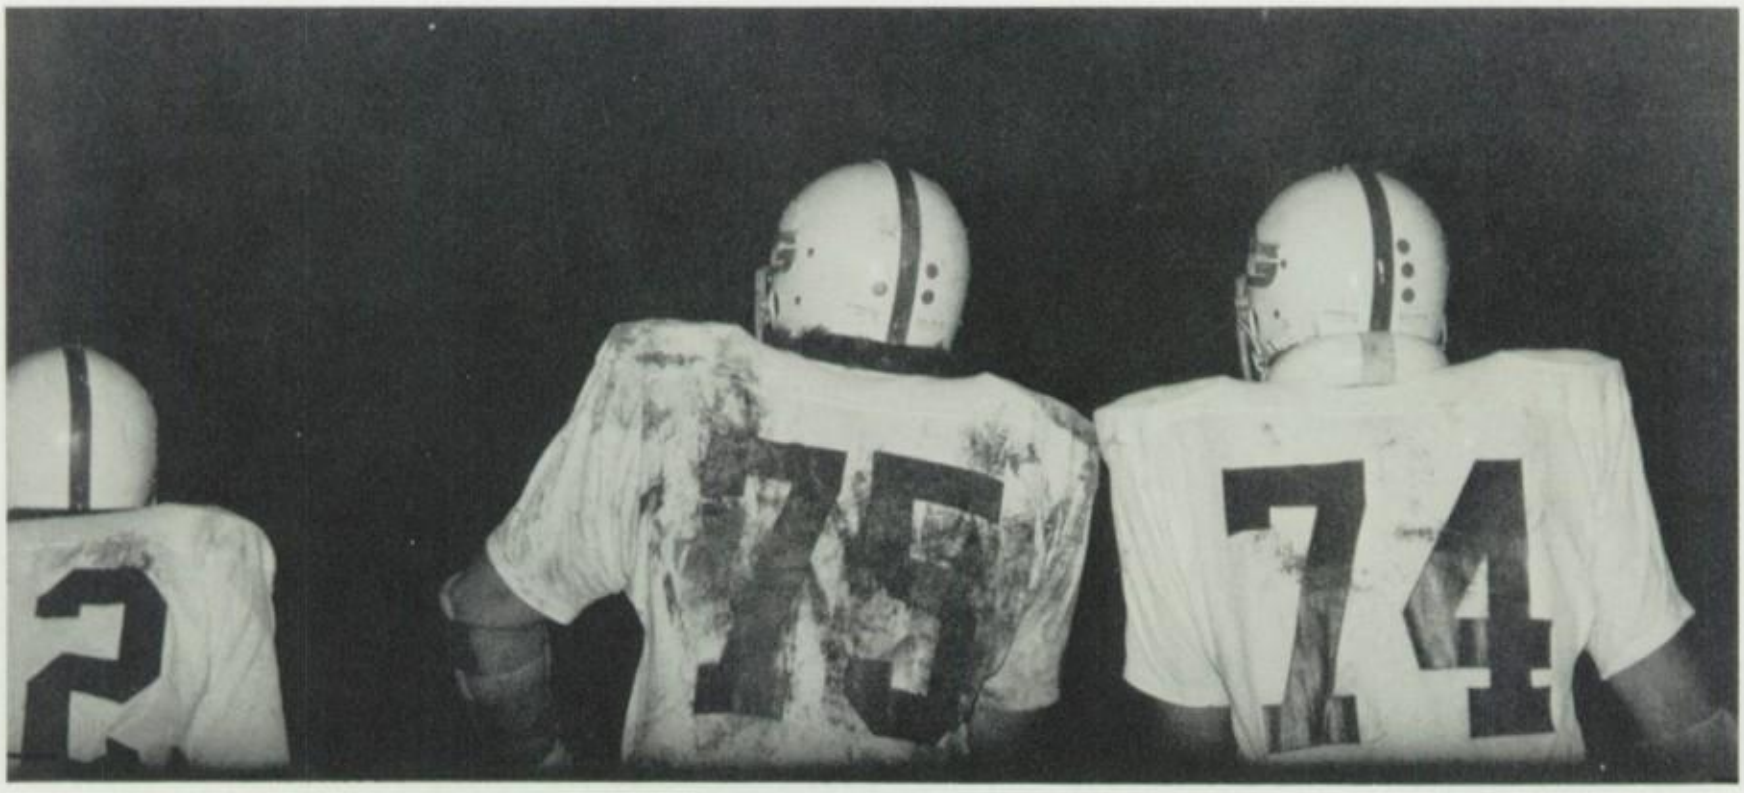
We'd sing and dance

forever and a day . . .

We'd live the life we choose . . .

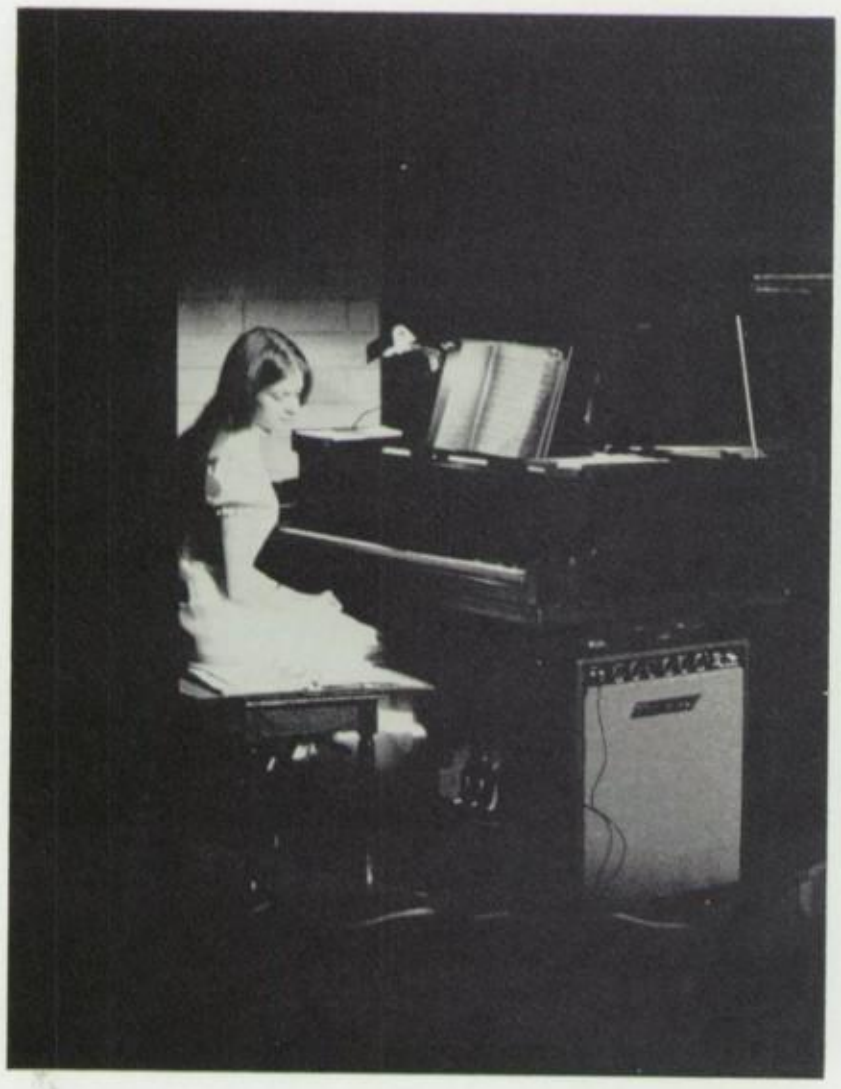


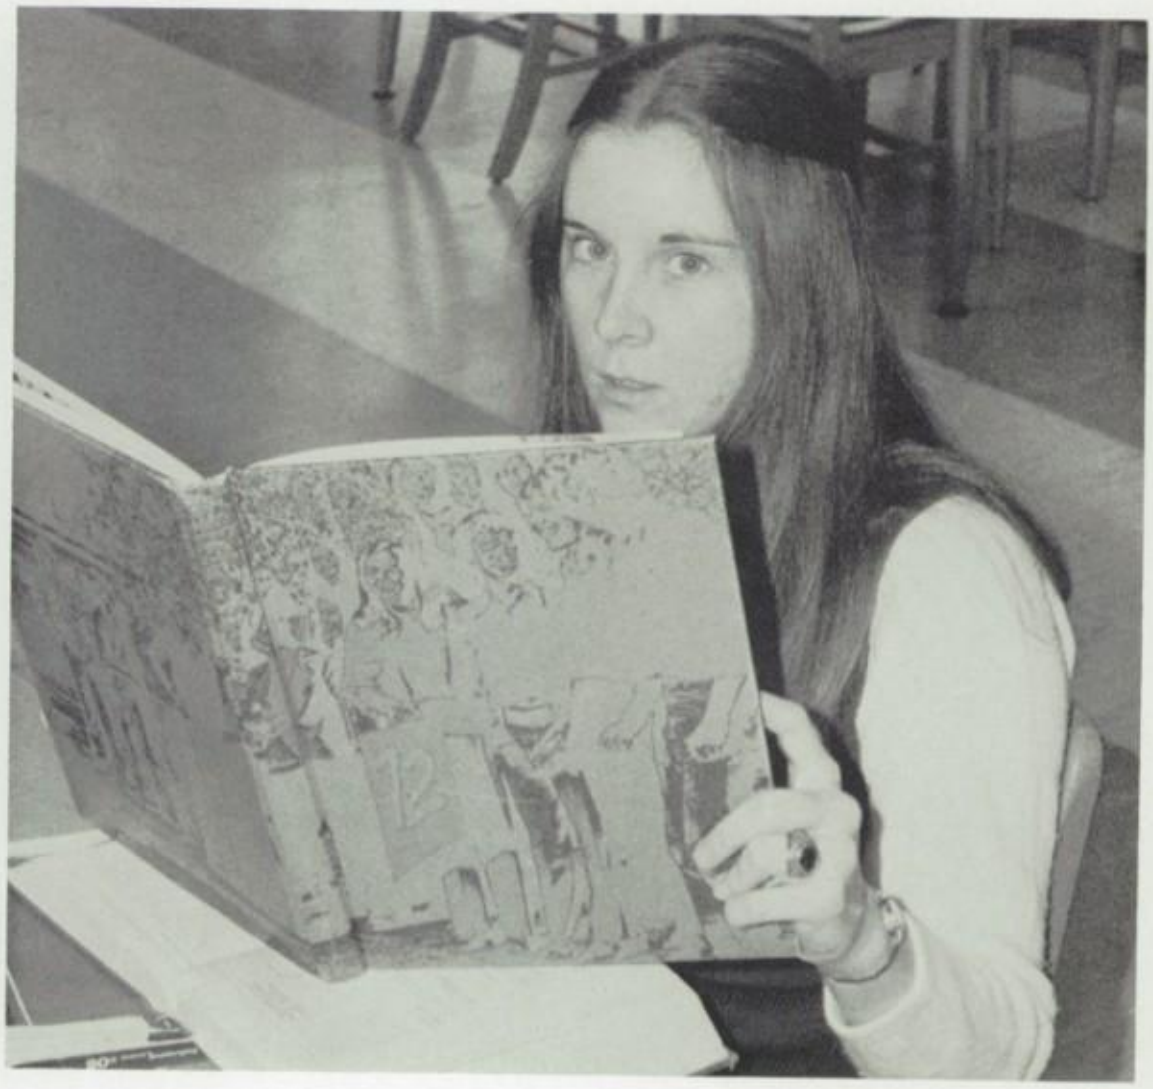
We'd fight and never lose . . .



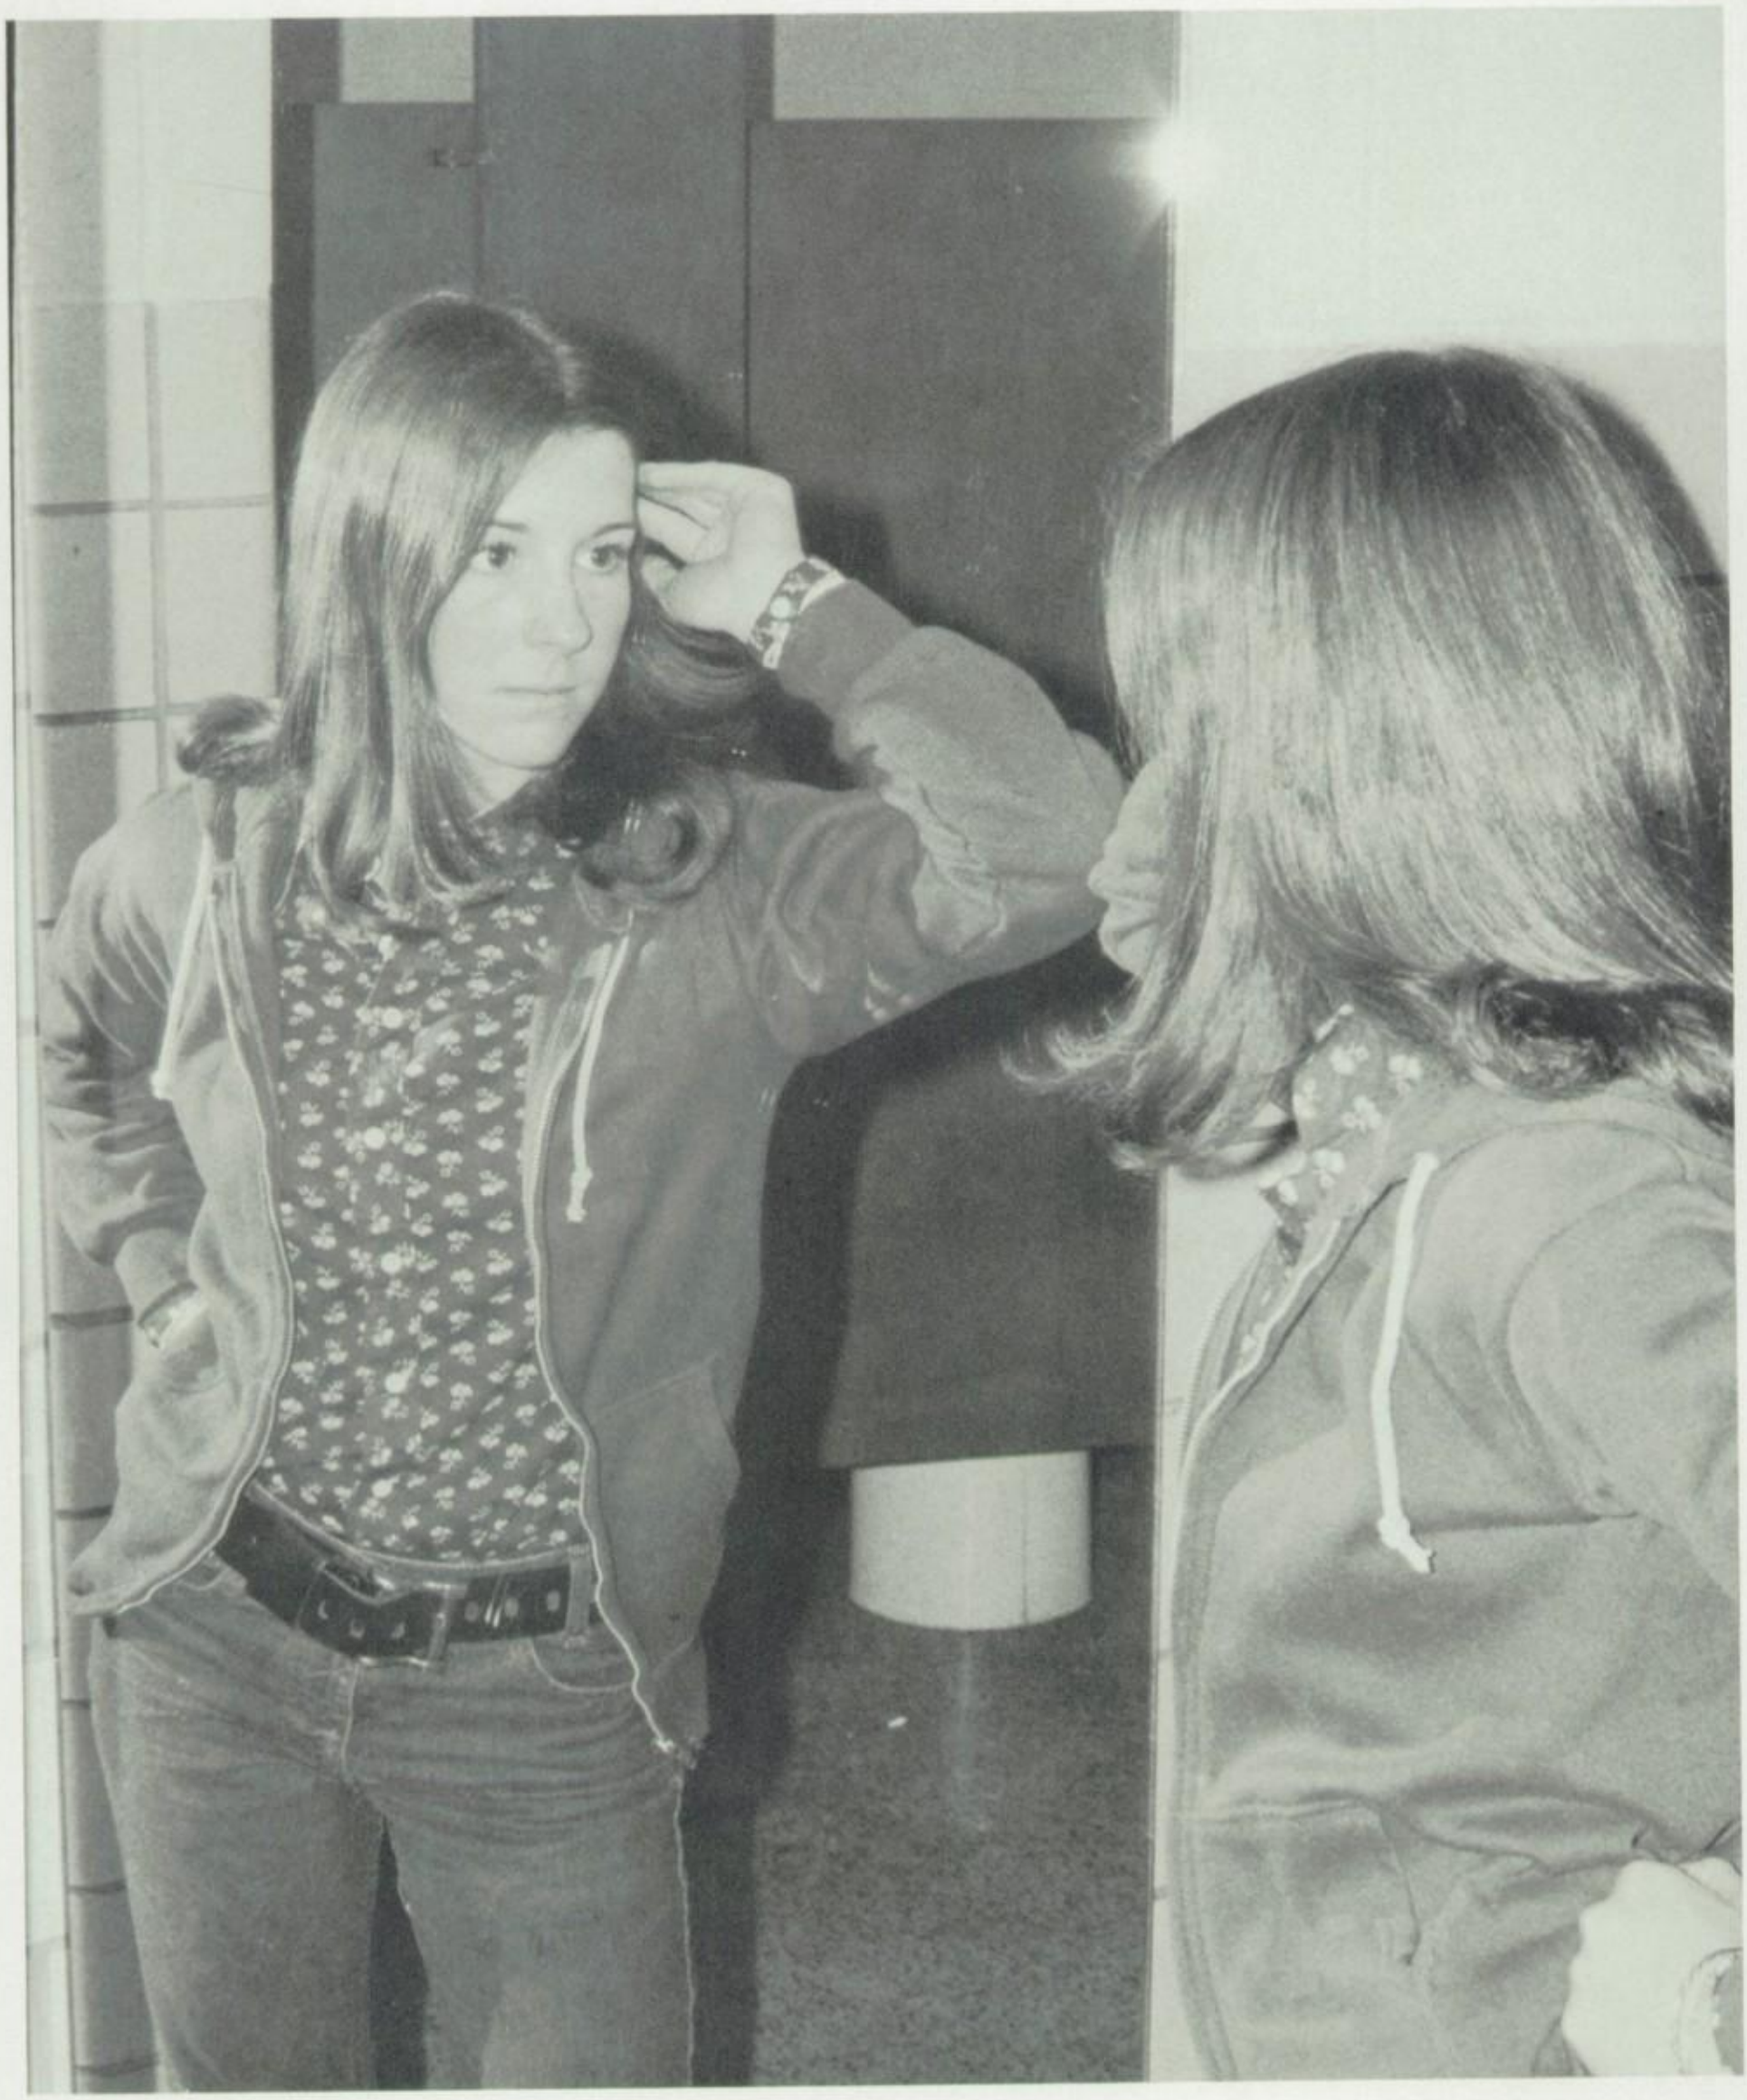
For we were young and sure to have our way . . .

Just today I thought of my high school days.
Nothing seemed the way it used to be . . .

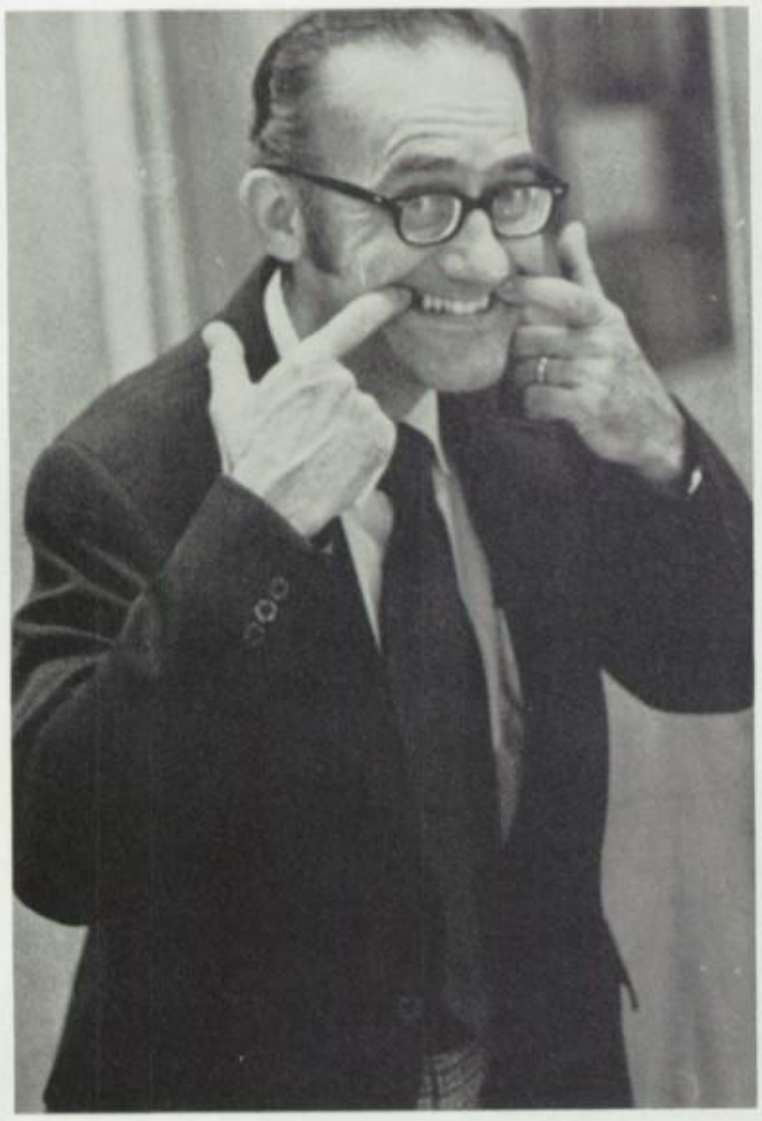




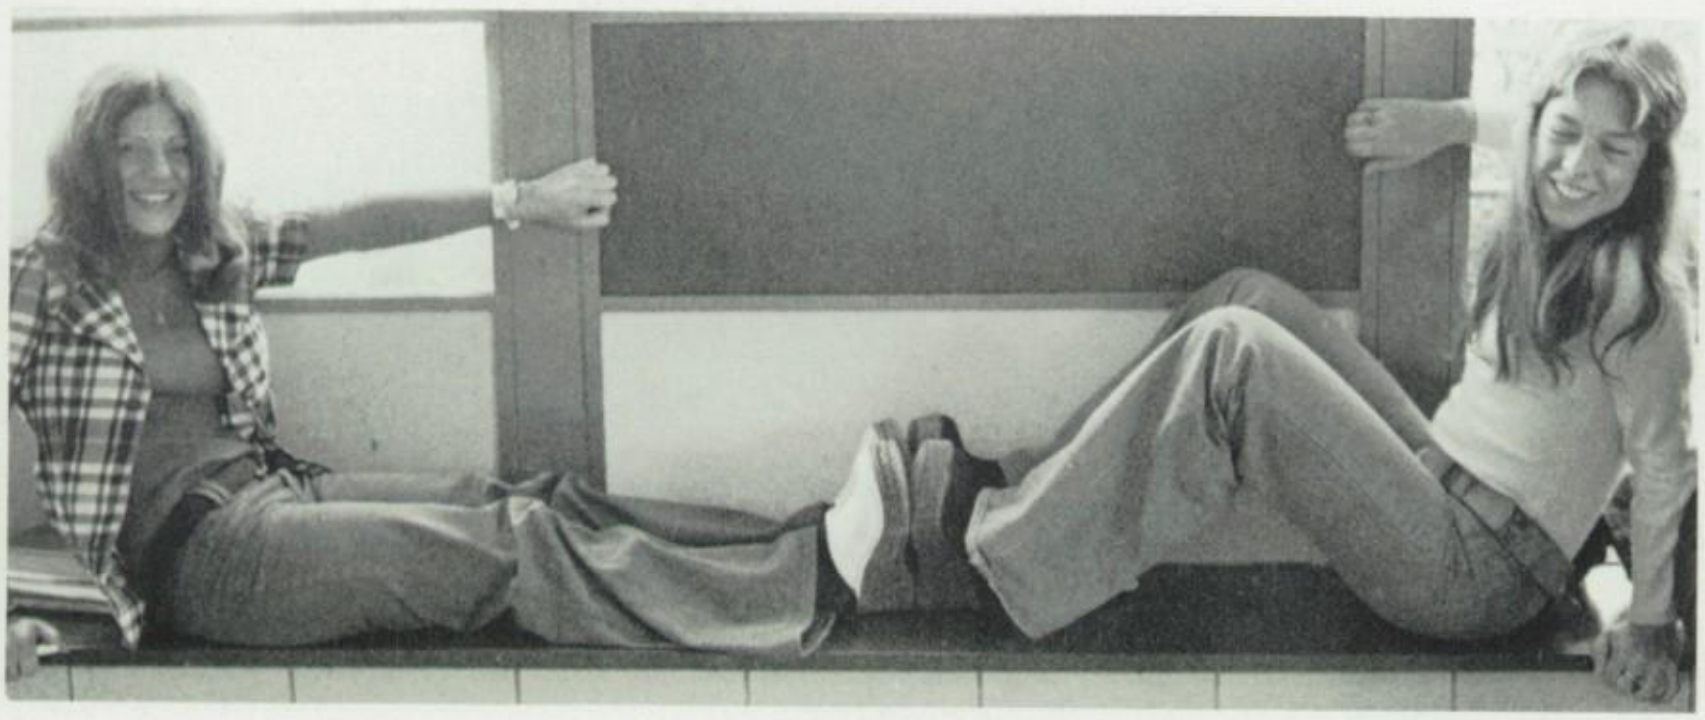
In the mirror I saw a strange reflection . . .



Was that lonely person really me? . . .



Those were the days my friend . . .



Oh yes, those were the days!

University for Young Americans

Paul Bussan

This summer a University for Young Americans was held for a number of weeks at Baldwin-Wallace College. Each week a new group of juniors from high schools in the general area came and stayed approximately one week. Each day there was a new subject to be explored. A panel of people versed in these subject areas came to talk with the students. One day the students went to the points of interest in the area such as Channel 5 in Cleveland and a cosmetics factory. That day was topped off with a soft ball game between the counselors and students. P. B.

Student Action is the name of the clan here at Glenwood that is interested in others. Our goal is to get everyone involved. There are no requirements needed to join, just that you like to have fun and help various people and organizations of our community or any place else where we know help is needed. Our annual project of collecting pennies for Applecreek is always very fun and worthwhile. N. S.

The Thespians is a select group chosen from members of the Drama Club. A person is admitted to Thespians only after he has contributed 100 hours of work to Thespian sponsored projects. Because admission to Thespians is based on one's work and dedication to the Drama Club, it is therefore an honorary organization. M. G.

Boys' State was a very rewarding experience for all who attended. We learned much about government and politics, but even more important, we learned about people. There were students from many parts of the state including big cities, little towns and farms. Boys' State was also rewarding in the fact that we learned through participation, not lecture. B. M.

THOSE WERE THE DAYS . . .

"Remember when the guys on the tennis team would play for 'quarters'? For every time you could hit the other guy with an overhead smash you'd get a quarter. Or how about the McDonald's we annihilated at our away matches?"

"How about when Tony Castello ate eleven big hamburgers at the Football Kick-off Picnic and didn't get sick?"

"Remember when Coach Baucum made the track team run against Lehman in a blizzard and everybody thought he was crazy?"

"I'll never forget the trip to Orrville's Country Club Farm when Coach Petroff got hit on the head with a golf ball and ever since the team has been successful."

"Remember in '73 the girls had their first chance at Interscholastic Tennis under rookie Coach Miss Erlanger. The girls went undefeated at 8-0 and captured the team championship title in Northeastern Ohio. Miss Erlanger isn't any Billy Jean King, but she can volley pretty decent."

"Before a big race in a meet, the amount of concentration used by a swimmer is tremendous. If an individual is really 'up' for a race he can almost feel his heart coming through his chest. He forgets all the people around him and the only sound he can hear is that of the gun to start the race. This is a feeling that only athletes get and I think I can say this for all athletes there is no feeling to match it."

"Remember when all three of the girls volley ball teams were league champs? We used to tape our fingers until they were numb, but we didn't care, 'cause we were too busy cheering' BENCH RAH! or B. C.!"

"The game when Glenwood baseball players showed their tremendous agilities was like our first tournament game. Tom Corbit gave the pitcher the ball and started back for third base but tripped and fell. The game was delayed momentarily because the pitcher was laughing too hard to throw a pitch. The following inning topped this by a wipe-out in left field by Greg Dennis during warm-ups. The next game was as disasterous as the previous when our left fielder and center fielder collided and both had to go to the hospital for x-rays. The season was not very successful with an 8-7 record but it was full of excitement and laughs. Coaches say you should enjoy playing baseball and we did."

"Remember when the guys on the cross country team blinded their opponents with 'bright shiny moons'."

"Remember during basketball season how everyone tried to get twenty points in a game 'cause Coach Fowler would buy a steak dinner for the girl who did it. Miss Fowler used to call us 'hot dogs' and 'gunners, 'cause we had contests to see who could swish it from half court during practices."

"What a good time we had beating the Seniors in basketball."

The Juniors

"What a good time we had trying."

The Seniors

"Remember how the track team had to drag the starting blocks around, and how shot putters had to run in events when running events were short of girls?"

"The basketball team had a lot of bad times this year and I could tell you a story that would go on for hours about them, but instead I'll tell you about some of the funny things that happened. First the great blooper by 'Whitey', 'Dr. Z' Zielasko on WJAN, saying that part of his job as assistant coach, he enjoys goofing around with the guys in the locker room the most. Another funny thing during the season was when Jeff Bowman's undies were sprayed with about a gallon of tuff-skin (a very sticky spray) and luckily for him put them on backwards. Last but not least, was the great last tango in GHS by Mark Kristy at the 2nd Oakwood assembly, that was something I'll never forget. Most of all from this season though I will never forget Mr. Shearer and what a great job he did on and off the court for me and some of the rest of the guys."

I would like to thank:

Mr. John Urian, our yearbook publishing representative.

Mr. Dick Gotschall, from Troup and Pluto, who so kindly took our pictures.

Mr. Leuck, who was so willing to help us with all our problems.

Miss Peters, our advisor, for helping us in all our times of confusion when a consignment was due.

Yvonne Cliff for all of her help in typing.

All of our teachers who were so patient when the staff members missed class.

All of the staff members who worked so hard on the "GLEA '74".
